Code

- https://github.com/arvindkrishna87/Team5_TheWildcards

What did each of the team members do?

Javier - Data Engineer

Lucas - Coder

Andres - Analyst

Lidia - Analyst

How does it help the project (not required for presentation 1)?

N/A

Issues faced that haven't been resolved:

N/A

Proposed next steps (not mandatory for presentation 1)**:**

N/A

References

Whose work did you build up on?

For the most part, we just worked off last year's (STAT390_Winter folder, STAT390_Fall2025) for the code, and the analyst looked specifically at the attention_analysis.py file within the STAT390_Winter folder.
